

# Merry Christmas

December 1995

## GLORY TO GOD IN THE HIGHEST!

*Blessing and Honor, Glory and Power, be unto Him who sitteth upon the throne!*

**AND ON EARTH PEACE TO MEN ON WHOM HIS FAVOR RESTS.**

*Joy to the world the Lord is come, Let earth receive her King. Let every heart prepare room for Him while heaven and nature sing.*

**Merry Christmas to You and Yours from Us and Ours.**

*The Baumann family: Bethel Ann and George Randall, Ruth Baumann, Tim and Annette Gulick, Paul and Bethel Baumann.*

*Paul and Bethel have lived in Wichita, Kan., for 27 years, where he is a radiation oncologist. Highlights of their year include a trip with Bethel Ann and George to Poland and the Czeck Republic, and having Ruth, Annette, and Tim all living at home for the fall.*

*Bethel Ann and George have been living in Phoenix, Ariz., where George is studying at the American Graduate School of International Management ("Thunderbird") and Bethel Ann is working in a cardiologist's office. George graduates this month with a specialization in Chinese language and culture so they're currently looking forward to a move and a fascinating, challenging job.*

*Ruth has another year left at Wichita State University for her major in Spanish. Her long-term goal is to become a physical therapist. A lot of her free time is taken up these days with her seven-month old Dalmatian puppy, Pyra.*

*Roger and Joy have lived in Florence, S.C., for seven years, where he is senior pastor at First Presbyterian Church. Highlights of their year include watching God continue to work in lives of people at their church, and times they have had with family and friends. They are looking forward to having everyone home for Christmas!*

*Kathleen is in the middle of her second year as resident director at Covenant College on Lookout Mt., Geor., where she loves working with her resident assistants and other students. Last summer she had the incredible opportunity to attend L'Abri in England.*

*The Gulick family: Roger and Joy, Tim and Annette, Kathleen (she's in the picture but she's very hard to see because just before the picture was taken, Tim bumped her over into the azalea bushes. ☺)*
