

INTERNATIONAL

November 30, 1994

Dear Friend of Tim and Annette Gulick:

I am writing to share some exciting news! Tim and Annette have been accepted as missionaries with OC International (formerly Overseas Crusades)! We are grateful to God for bringing this dedicated couple to us.

We praise God for the great opportunities He has given OC to serve His church around the world for more than 42 years. We serve in 20 countries and with various ethnic groups in the United States. "In obedience to the Lord of the harvest, the task of OC International is to assist the body of Christ to make disciples of all people (Matt. 9:36-38, 28:18-20)."

We praise God for Tim and Annette being willing to go where they are most needed and where their gifts can be best developed for the most fruitful ministry in missions. Tim has a Masters in Divinity from Reformed Theological Seminary, and Annette has a Masters in Theological Studies from RTS. With their experience in youth work, they desire to serve in Latin America, training local youth leaders.

Before they can minister full-time, they must find the support team God has chosen for them. They need partners, like you, who will pray regularly for them and provide the necessary finances. They need one-time gifts, as well as monthly pledges for their ministry and salary. Would you please prayerfully consider if God would have you become a part of their team?

Yours for increasing the harvest,

Bill Keyes
Vice President, Personnel
