

### **From Mexi-kids to Argen-teens**

The countdown for our move is on, but first we have a stop to make in Costa Rica. For 2½ years a few of us have been planning and raising funds for something for youth leaders who have taken what we've taught them and taught it to others. These faithful workers are our stars, our heroes, and we've organized this event hoping it will encourage and equip them to continue. So for the first 10 days of 2007 Annette and I will be part of a team who are mentoring these exceptional youth leaders.

After arriving back in the U.S. on the 15<sup>th</sup>, we will close down the Orlando phase of our lives, finish packing, and leave for our new home in Argentina in early February.

Please pray for us as we tie up the dozens of loose ends here in the U.S. and make the hundreds of decisions—from silly to significant—that we'll have to make as we merge our lives and ministry into the fast lane that is life in Buenos Aires.

### **Do not read what follows**

... unless you want to help us communicate with you better. To do this, **we need your help**. For the last five months each letter we've sent you included a little blurb that says:

*Since '94 we've mailed monthly letters out to over 400 friends and family who at some point said, "Sign me up." Now 13 years later we have no clue if you actually want to keep receiving them. In an attempt to be good stewards of the resources we've been entrusted with, we've come up with the following three options: A) If you want to stop receiving our letters, do nothing. B) If you prefer to receive our updates in your e-mail, simply go to our Web page—www.4loves.com/mexitext—and enter your e-mail address where it says "Subscribe Me!" C) If you want to keep receiving the paper version of our monthly prayer letters we need you to send us an e-mail at timgulick@gmail.com or call us at 407-443-0116.*

It is essential that you call or e-mail us before Friday the 1<sup>st</sup> of February, since we leave the U.S. for Buenos Aires a few days later.

So far 159 of you have responded—134 signed up for the e-mail/online version and about 25 asked to continue receiving the paper version. To be 100 percent clear, if you don't call or e-mail us, it means you want to be taken off our list and you will no longer receive our monthly letters. Either way, thank you for having come alongside us on this adventurous journey that God has let us be a part of. It's been even richer because of the friends who have accompanied us in prayer, financial support, visits, and communication.
